

DAY 1:

Family Worship

- Get your Bibles out and read Mark 2:1-12 as a family.
- Life App: Friendship

Friendship means using your words and actions to show others you care.

- This week we are learning that friends are there for each other.
- Now watch BC Kids at Home Worship Service [here](#).

DAY 2:

Read Genesis 2:18

Imagine you are Adam, the first person ever created. You're surrounded by beauty, far beyond imagination. It's not too hot or too cold and there's plenty of delicious food to eat. You're given the job of tending to this beautiful garden. But it doesn't feel like work, it's fun! Then God gives you the coolest job of all— naming the animals! You name the elephants, toucans, jellyfish, frogs and all the rest. But none of these amazing creatures are quite right for you. They can't think or feel or talk or love in the way you can. So, God creates a helper, Eve. From the very beginning, God created us to need each other, work together and help each other. That's why big projects are easier to tackle with friends. It isn't good to be alone. God created us to help one another. Grab a piece of paper and draw an animal of your own creation. Then, ask a friend to help you come up with a creative name! Thank God for the friends He's given you and ask Him to help you be a good friend too knowing that God created you to help others.

DAY 3:

The Whole Body

Gather some craft supplies that you can use to draw. On your paper draw a picture of a body. A stick figure would work great! After you have drawn your body, grab a Bible and open up to 1 Corinthians 12:12. Read it aloud and then take some time and write this week's verse somewhere on the page! Hang this somewhere you can read your verse daily! Look for ways that you can work together to tell everyone about Jesus.

DAY 4:

Read Hebrews 10:24

Lifting something heavy. Planting a garden. Building a fort. Playing catch. Or tag. Or hide and go seek. Name some other things that are easier or more FUN with friends. There are some things that are easier and way more fun with friends! This week, we're taking a look at how God created you to work with others. And today's verse gives us a great big clue about how to do this. Did you catch the "stir each other up" part? What happens when you stir two things together? It becomes one new even better combination. When we "stir" or motivate each other in love, we can do more good together. Think about the unique way God made you. Do you like to draw or paint or create? Do you like to sing or perform? Do you like to plan or organize? Now, think of one way you can use your unique abilities to love and to stir up or motivate others to do good too. Now pick one friend and follow through by encouraging them in the unique way that only you can.

DAY 5:

Family Challenge

Gather a few friends or family members and work towards the goal of building the biggest tower ever! You can use blocks, boxes, whatever stacks works. BUT the twist is you each need to put a hand behind your back before you start! Work together to build a tower with only one hand available! Can you do it? Go! Know that when you work together, big things can happen.
